View your images anytime from your smartphone, tablet, or web browser. Share them with your healthcare providers or family, and easily request appointments when needed. Download our free iVue Patient App via the App store on your smart phone.

Please Note: Your images will reach your account 7 days after your appointment.

④ Clinic Location

The Women's Imaging Centre

Level 1, 147 Smith Street
Southport QLD 4215

P. (07) 5564 0851 F. (07) 5503 0947

Patient Preparation Summary:

The following are for adult studies. For children, or for patients who you may feel may not cope with the particular preparation, please contact our staff. For any particular diagnostic or clinical problem, please consult one of our radiologists.

If you have a history of significant allergic responses, asthma or diabetes, please tell our reception staff when making your appointment. Medication (to reduce the small risk of an allergic reaction), may be required, which can be picked up from our offices. This will be organised on an individual basis.

PREGNANCY: For all examinations, excluding ultrasound, please inform our staff at the time of booking of your pregnancy.

Mammography

Please do not use talcum powder or deodorant on day of the examination. We recommend wearing a two piece outfit for your comfort.

Biopsy & Interventional Procedures

Please discuss at the time of your booking.

Ultrasound

Abdomen: Fast for 6 hours. Please do not smoke during this period. Take normal medications with a sip of water. (Note - no milk or soft drinks).

Renal: Bladder must be full at appointment time. Drink one litre of clear fluid/cordial finishing 1 hour prior to the appointment time. Do not empty your bladder.

Pelvis: Bladder must be full at appointment time. Drink one litre of clear fluid/cordial finishing 1 hour prior to the appointment time. Do not empty your bladder.

Obstetric Ultrasound: A full bladder will be required. Empty bladder one hour prior to the appointment. Drink 1 litre of clear fluid over the next half hour.

Breast, Thyroid Ultrasound, Duplex Carotid, Leg Veins: No preparation required.

Renal Arteries, Abdominal Aorta Doppler: Please fast for 12 hours prior to the examination, with no smoking or chewing gum during this time.

Important Medicare Advice: Your referrer has recommended you use South Coast Radiology. You may choose another provider, but please discuss this with your referrer first.
